

Excuris Lifescience

www.excurislifescience.com

EXCURIS LIFESCIENCE where excellence meets efficiency. We take pride in delivering top-tier pharmaceutical products of uncompromised quality to our global clients. With a steadfast commitment to excellence, we ensure swift and reliable export services, ensuring your orders reach you in the quickest time possible without compromising on the superior quality that defines our products. Trust us for your pharmaceutical needs, and experience the seamless synergy of quality and speed. As a pharmaceutical company, our eagerness to alleviate the suffering of mankind is far above our business motives.

We envision a world where access to cutting-edge pharmaceutical solutions is universal, contributing to healthier communities and enhanced well-being for individuals around the globe. Our clear vision is to reach out to the masses and make this world a better and healthier place.

We cater to the demands of Asia Pacific, Latin America, Middle East Countries, CIS Countries etc. by understanding their requirements and accordingly developing pharmaceutical drugs as we do under contractual manufacturing. with a variety of dosage forms including tablets, Capsules, Soft gel, Effervescent Tablets, Liquid and dry powder injections, Sachets with variety of nutraceutical formulations and oral spray.

About Excuris Lifescience

Founded by Mr. Dipakkumar Nayi and Associated with co-founder of company by Rakeshbhai Patel, Manojkumar Patel and Hardik Patel, who are highly experienced in the Indian Pharmaceutical arena with their experience ranging from 15 to 30 years and are from the areas of Manufacturing, Procurement, Contract Manufacturing and In Licensing, Domestic and International Sales and Marketing.

For us, healthcare is not business, it's a passion. The core passion of EXCURIS LIFESCIENCE is introducing and marketing innovative and research based products for better health of mankind. The facilities utilized for manufacturing of our products have WHO GMP certification and comply USFDA, UKMHRA GMP norms. We shall strive to fulfill our objective of treating disease and saving lives worldwide by dedicating ourselves to manufacturing and marketing pharmaceutical products with strong emphasis on quality and we will strive to achieve highest standards of quality. ZERO DEFECT and ZERO COMPROMISE in quality is our policy.
